

COOKIES POLICY

A cookie is a small text file that is stored on your computer when you visit our website. Cookies allow us to remember information about your browsing habits, actions and settings so that you can use all the features of the website. Cookies also allow us to collect general statistical information about you and provide personalized advertisements based on your browsing habits.

In order for you to better understand what cookies we collect, as well as the purpose, category and expiration date of each of these cookies, below is a description of the cookies and a table with the cookies we actually use.

By category, cookies are divided into the following groups:

- **Required cookies** – the cookies that are necessary for the website to function properly.
- **Functional cookies** – the cookies that are used to identify a reusing user of the website. They help to personalize the content on the website, save the selected settings.
- **Statistical cookies** – the cookies that are used to compile a statistical analysis of the navigation methods of website visitors. The data collected by these cookies is used anonymously.
- **Advertising cookies** – the cookies that are used to display offers or other information that may interest you.

According to the duration of storage, cookies are divided into the following groups:

- **Session** – the temporary cookies that only exist as long as you are logged in to the website. Session cookies allow the website to remember the settings you selected when you visited the previous page, so you will not have to re-enter this information when you move to the next page.

- **Long lasting** – the cookies that remain on your device after you visit our website. When you return to our website, these cookies will help us identify you as a unique visitor.

We collect the following cookies:

No.	Cookie name	Category	Description	Storage time
1.	_csrf	Necessary	Ensures visitor browsing security by preventing cross site request forgery. This cookie is essential for the security of the website and visitor.	Session

In addition, we suggest that you can always configure your browser to refuse some or all cookies or to ask for your permission before accepting them. Please note that by deleting cookies or disabling the use of cookies in the future, you may not be able to access certain parts or functions of our website.

For information on how you can change your browser settings and stop accepting cookies, visit www.aboutcookies.org or www.allaboutcookies.org.
